# Bronchopulmin – LIQUID SUPPLEMENTARY FEED FOR HORSES TO MAINTAIN THE DEFENCE FUNCTION OF THE RESPIRATORY TRACT

## Product information

Bronchopulmin combines the properties of various immune system supporting herbal ingredients.<sup>1,2,3,4,5</sup>

### High-quality essential oils and vitamins

- Eucalyptus oil (50,000 mg) approx. 85 % cineol
- Black cumin oil (20,000 mg)
- Fennel oil (10,000 mg)
- Thyme oil (10,000 mg)
- Vitamin C (1,600 mg)

### When to use Bronchopulmin?

Bronchopulmin is suitable for horses of any age in order to support a clear bronchial system and to help all aspects of respiratory health in the airways. The use of Bronchopulmin is beneficial in case of different stress factors, which can upset respiratory function and cause health and behavioural problems, like:

- Different kinds of infections
- Cold, poor air quality, wetness, dust and ammonia
- Insufficient local and humoral immunity
- Airborne allergens such as pollen, hay dust or mold

## Why Bronchopulmin?

A complete respiratory supplement which offers fast, simple and effective support.

## BRONCHOPULMIN – NATURAL RESPIRATORY SUPPORT

*„We use Bronchopulmin very successfully for coughs and nasal discharge. In addition, the immune system gets a boost from the herbs and vitamin C it contains.“*

*(FEI-Veterinarian Dr. Matthias Niederhofer, Telgte, Deutschland)*
